The CPEDERF/CAVILAM "STAGES" January 2011

THE HOTEL "PARIS VOLTAIRE"

(79 Rue de Sedaine, 75011 Paris)

* * * * *

Until recently, the Mairie de Paris who operates the Mije hostel, have insisted that accommodation is not available to people over 30. This policy is now relaxed, and those who so wish are eligible for this accommodation. It is important to note, however, that most rooms are for 4 people sharing, and the Mije is definitely not as quiet as the *Voltaire*!!

For those who prefer hotel accommodation anyway and who have expressed an interest in staying in the *Voltaire* we stress that Cpéderf has no vested interest !

We simply recommend it because so far in twenty years, we have never known any of our "stage" students to have been dissatisfied with the accommodation for the price paid. It is a good, typical, Parisian two star. Not a tourist hotel at all! All rooms have private facilities and TV. The people who run the hotel are very friendly. But it's not a three star hotel!!

The daily rates include : room, *petit déjeuner*, Paris *taxe de séjour*

Allowing for the credit (30 euros per night) to be given for not having a room in the Mije hostel (these Mije costs are included in the overall "stages" fees), the supplement payable for the *Voltaire* in January 2011 will be as follows :

CAVILAM/CPEDERF STAGE :

**Single room supplement : 45 euros per night per person
So for 8 nights in Paris = 360 euros per person supplement.**

These prices are conditional upon the reservations being made through Cpéderf , and not by individual participants. ie. we make a group booking on behalf of all those who choose the hotel rather than the hostel, pay the deposit on your behalf accordingly, and pay the final bill. You will be invoiced for the hotel supplement during the actual "stages" in June-July.

Note : because the *Voltaire* is a typical Parisian hotel, there is only one twin room : most just have one double bed !

If you decide to make your own accommodation arrangements in Paris, please bear in mind that you will be credited with 30 euros per night during the Paris stay for not having a room in the Mije hostel.
